## Life Goes On

*Dana Perkins*

Life has its tragedies,  
And moving on seems impossible.  
Closing the door on life feels like the best  
option,  
You don't think anything else is plausible.  
While no one can understand,  
It is best to endure the pain alone.  
Though for you the world might have stopped,  
For others it has not.

Those close to you can't stand seeing you like  
this,  
They try everything in their power to help.  
Acknowledging that they care for you and want  
to help,  
But knowing you are the only one who can do  
so.  
You know that eventually you have to move on,  
But for right now being alone and depressed is  
what feels best.  
It is not fair that this had to happen,  
But it did, and you have to just accept it.

Should you just roll up and die?  
What about the others?  
Can you really be this selfish?  
No, life goes on.
